

GLIMPSES OF SEPT IIND WEEK

(7th Sept – 12th Sept)

1) Discovery Hour (Pre-Primary)

Date:-8th Sept, 2015

Discovery is as important to our survival as is food, water, and protection from the elements. It gives us the means to overcome fear and despair, and to continue on our journey. Today on 8th Sept, Kids of Disha pre-primary section discovered how the water gets evaporated from a cloth when it is hanged up in sunlight after being washed. They did the activity by themselves under the guidance of their class teachers. They were asked to bring a handkerchief and have to wash it in the school. Along with washing the handkerchief, hanging and drying, they learned many related words as wash, crush, rub, rinse, and clothesline, detergent, hang, wet; evaporate clothes pin, dry etc. They enjoyed a lot and want to wash some more clothes; they shared their experience among their peer groups and parents also.

2) Matheletics (Primary)

Date:-9th Sept, 2015

Math is the one skill which we need to master in a life, without math we cannot live or survive. So, Disha School primary section held a competition called MATHELETICS dated 9th Sept, 2015 which was based on maths and athletic together. Students from class 1 to class 5 participated enthusiastically and enjoyed the race and mental maths. They had to start from the starting point and have to do some sums in the middle of the race and then to reach to the finishing point. The competition was held to recharge their brain along with body fitness.

3) Different PROJECTS on different topics done in class (Group Activity)

Project Based Learning is not just a way of learning; it's a way of working together. It's a vehicle which helps a child to learn, change, adapt, improve, and adopt new processes, or technology.

Project allow us to assess the child's progress and development. It encourages a child to demonstrate his or her capabilities while working independently or in group.

4) Parents Teacher Meeting

Date:-12th Sept, 2015

Parents teacher meeting is an interaction between teacher and parents to know a child more better.

5) Birthday Corner

Nursery class
